

NONPROFIT RESOURCE LIBRARY

The Community Foundation for the Alleghenies' Nonprofit Resource Library provides free tools, training, literature, and access to more than 17 million grant opportunities through Candid's Foundation Directory Online.

Candid is a nonprofit that helps other nonprofits serve their communities. We offer Candid's key tools including GuideStar and Foundation Directory at our Nonprofit Resource Library, located at 216 Franklin St., Suite 400, Johnstown, PA 15901. Our patrons can access GuideStar to research local nonprofits. Nonprofits seeking funding can also access the Foundation Directory to find and connect with funders. Services are available by appointment from 8:30 a.m. to 4:30 p.m. weekdays.

In addition to access to the database, the library also houses Candid's e-book collection through OverDrive. Physical reference resource topics include grant-seeking, philanthropy, volunteerism, proposal writing, nonprofit management, fundraising, and community and economic development.

We also have trained staff available to guide nonprofits in their efforts to discover and apply for a broad spectrum of new funding opportunities. For more information, or to book your visit, reach out to Emily Wood at grants@nonprofit-partners.org or 814-208-8448.
